

Quality Policy

“All our Products and Services shall meet the expectations of our Customers and Stake-holders in Quality, Technology and Value. We shall be committed to meet all applicable statutory and regulatory requirements.

We shall develop, maintain and continually improve the Quality management System with effective teamwork of every Employee, Customer and Supplier.

We shall enhance Quality of all our Products, Processes and Services and promote Customer trust and satisfaction.”

Approved By,

(Apparao Mallavarapu)

Director
